BEHAVIORAL HEALTHCARE

Alliance

BEHAVIORAL HEALTHCARE

Welcome to the Alliance Provider Directory

All of the members of the Alliance Provider Network listed in this Directory have met enrollment standards and are contracted to provide Medicaid and/or State-funded mental health, substance use and intellectual and developmental disability services for residents who live in, or whose Medicaid originates in Durham, Wake, Cumberland and Johnston counties.

This Directory is broken into groupings of three types of providers and each grouping is listed in alphabetical order. The three types of providers are:

- Agencies and Group Practices – *These generally offer a variety of services provided by a staff of different kinds of professionals*
- Licensed Independent Practitioners (LIPs) – *These are individual providers who generally offer outpatient therapy services*
- Hospitals

A particular provider listed in the Directory may provide services in more than one location. Please contact the provider or the Alliance Access and Information Center at (800) 510-9132 for more information.

Each provider listing indicates what type of funding that provider accepts, what disability area it serves, and whether it serves adults and/or children. Note that not all providers are contracted for every service within their service category.

To submit changes to information in this Directory, Network Providers should use a Notice of Change form available at alliancebhc.org/wp-content/uploads/Notice-of-Change.doc and email the relevant information to ProviderNetwork@AllianceBHC.org.

Because the roster of providers in the Alliance Provider Network changes from time-to-time, an updated provider list is posted monthly on our website at AllianceBHC.org. The website also includes an online provider search tool that allows the user to search for providers using a variety of search options. You can access the search tool by clicking “Find a Provider” at the top of any page on the website.

Also, you may call the Alliance Access and Information Center toll-free 24 hours a day at (800) 510-9132 to request assistance in finding a provider or to ask that a hard copy of the Provider Directory be mailed to you.
